## Silent Auction Huge Success

Another successful "Party at the Garden" was held on Aug. 3, 2007. Attendance was about 375 with several classes holding their reunions in conjunction with our annual event.

Check out the list of items donated and the winning bidders on pages 9 to 12 of this newsletter. In lieu of class baskets or items for the Silent Auction, cash donations were received from the following:

- Bruce Pac
- Jim & Sharon Cates
- Champion Enterprises Mgmt. Co.
- Class of 1940
- Class of 1945
- Class of 1956
- Class of 1959 (plus class basket)
- Class of 1961
- Coldwell Banker Mtn Real Estate
- Edward Jones
- Garden City Coffee
- Hartley Insurance
- Kuenzi Communications
- O'Brien's Café
- Pacific Sanitation
- Unger Funeral Chapel

With the cash donations and the amount received from auction items, we were able to deposit \$7800 into the scholarship fund.

In addition, the 50/50 raffle at \$189 and the monies received for the party (after expenses) will add to the scholarship fund. Eldon Egan '52 was the winner of the raffle.

We wish to thank also the **Silver Falls Bank** and the staff at **Silverton Realty** for their assistance and support for our Silent Auction and Party at the Garden.

Once again we'd like to thank the generosity of the local merchants and individuals for their generous support.

## Homecoming - SHS Celebrates 100 Years

The Silverton High School Alumni Association was invited to participate in several activities for Homecoming this year.

A 1963 boy's letterman sweater, 1960 girl's letterman sweater, cheerleading outfits from 1973 and 1961 were among many items on display in the glass case in the main hall at SHS. There were also Fox's Howl newsletters from the 1950's and several annuals, pom-poms and other memorabilia on display throughout the week.

The Alumni Association also had a float in the parade on Oct. 11th. We put orange & black balloons on the four corners of the trailer and at the centers of the two sides. Then someone else brought in a bunch and kept them together, anchoring them at the center back. Looked

great! We placed second in the float competition.

There were about 20 of us either on the float, driving the truck, or walking in front with our banner. The class years in attendance were 1941, 1952, 1957, 1958, 1959, 1960, 1961, 1963, 1975, 1979. The years were written in black on orange paper plates and placed around the edge of the trailer.

The parade actually lasted about a half hour. The rain held off until just as our float trucked right back downtown so we could tear it down, and get back into our cars rather quickly before the rain really hit.

Then we drove our cars to the high school and had a hot dog or hamburger before the game started.

Following the parade, many Alumni attended the football game against Woodburn. Remember when we beat them in 1956 and won the Capital Conference Crown? Well, the 2007-08 Foxes beat Woodburn 60 to 9 this time.

It was fun, and we'll do it again next year.

**GO FOXES!!!**

**PRESIDENT'S MESSAGE**

HURRAH !! HURRAH !!  
 Another great ALL SCHOOL REUNION AT THE OREGON GARDEN here in Silverton, Oregon.

We received record numbers of donations and revenue from the Silent Auction. Thanks to all those few volunteers' who worked so hard to gather so many items and present them for the Silent Auction processing.

There were record numbers in the amount of donated items including new Power Chair, (same kind as last year) and end tables, cabinets, and Silver Fox clocks by Murl Anderson. Collector dolls, seeds, paintings, pictures and gift certificates of all kinds. Some really great bargains on so many items.

The 50/50 Drawing was won by Eldon Egan from Shasta Lake , Calif., Class of '52.

This year's Scholarships, that I presented, went to 24 SHS Graduates amounting to \$13,900, (ranging from \$350.00 to \$750.00)

It was just great to see so many happy faces of the graduating Seniors getting so many awards from so many groups and organizations at the Senior Awards night May 31, 2007.

Interest earned from our Perpetual Scholarship fund contributes to the awarded Scholarships each year.

These funds are generated from the interest earned on donations, gifts, memorials, Silent Auction, 50/50 drawing, class holdings, inventory sales, the Garden Party and dues. So where ever you fit in, please feel free to contribute if and when you can. The Silverton High School Alumni Association Scholarship fund is growing in order to help those grads get to their goals in life, thru educational opportunities.

We are a charitable group under IRS with a (501) (c) (3) classification and managed by A.G. Edwards.

We all need to thank Mason Branstetter for his continued support and providing a place for us to meet and the only original member of the founding group 10 years ago who is still very actively participating in most functions of the Alumni. At his office, we even have one computer for exclusive use for the Alumni treasurer Tracy Duerst and Newsletter Editor Judy Nunn.

This is SHS 100th year, and we had a float in the Homecoming Parade that started from downtown to the High School; our float was awarded second prize. They had a covered canopy set up at the high school for the participating Alumni.

SHSAA does not sell or trade names and/or addresses of alumni. Our purpose is to keep a current database of all alumni. With this information, we propose to help each class in locating their classmates when they are planning a reunion. We do, however, share the addresses within that class and with other alumni.

It was a great game for Silverton as they WON 60 to 9 over Woodburn. A great homecoming for all.

By the time you read this it will be time to wish all a very HAPPY and SAFE HOLIDAY SEASON.

**EDITOR'S NOTE**

*By Judy Nunn '60, Editor*

We are growing! Our Class Rep pages have increased so we have had to add another page. This is good — this is great! If your class has no Class Rep listed, please volunteer! You are not required to participate for meetings, but are welcome to do so. Keep in touch with your classmates even though you have moved on to your future interests.

We of the Alumni Association are here to help keep track of your classmates. When you are ready to plan your 5 or 10 or 25 year reunion, contact us. We'll be glad to share the addresses we have. In turn, we'd like YOU to share your list with us. By doing so, it makes it a whole lot easier to notify your classmates of the upcoming reunion. We encourage articles for our newsletter, informing your classmates of your reunion plans.

Many classes like to meet during the All-class "Party at the Garden". This is held the first Friday in August, in conjunction with Homer Days in Silverton. You can spend time visiting with not only your own classmates, but those of the classes before and after yours.

We suggest you contact us prior to your reunion - NOW is a good time if you're planning a reunion for 2008. Get the list from our

database, compare with what you have and let us know if there are changes we should make.

Also — be sure to see the pictures from our 2007 Party at the Garden and individual class reunions. This is a new feature for our website. If your class had a reunion this past summer, please submit your pictures on our website [www.shsfoxes.com](http://www.shsfoxes.com). Instructions are on the website.

There were no "SHS Memories" submitted for this issue. Some of you probably have fond memories of your high school days. We'd like to hear about them for the next newsletter.

We've added a new feature on page 4 - Letters to the Editor. We'd like to hear from you!

**The Gavel Travels**

Murl Anderson has been making furniture and other wooden items for our Silent Auction for the past couple of years. One of the items this past August was a gavel. You know, the kind judges pound as they declare, "Court's adjourned."

Diane Brenneman was the winning bidder on the gavel, and she is a judge on the Superior Court of the District of Columbia. Yup! That's where the gavel ended up, about as far away from Silverton and still be in the USA.

## LETTERS TO THE EDITOR

*This is a new feature we'd like to promote. We encourage letters to the Editor, and welcome both pro and con.*

October 16, 2007

Dear Fellow Silverton High School Alumni:

The purpose of this letter is to acquaint or reacquaint you with the wonderful scholarship program our Alumni Association has for the graduating seniors who are furthering their education.

We have a capital fund built up from the \$500 lifetime memberships, the yearly \$5 dues, funds donated outright, bequeath from estate, in honor of or memory of someone, plus money earned from special projects. We use only 5% of the interest from the invested capital for scholarships. The \$5 dues also provide working money for the newsletter, etc. Life membership can be accumulative over several years.

One project is our big silent auction held at the Garden Party for Alumni and Friends at the Oregon Garden. This year we made over \$7800 from the auction itself and cash donations. The all class Garden Party is held each year the evening of the first Friday in August. This is a catered dinner with lots of visiting alumni from all classes. (Must be age 21 to attend.)

The newsletter has a host of information about reunions, special people with an exceptional achievement, meeting dates and future plans. We also publish a list "In Memoriam" to honor our alumni who have passed away. The newsletter is published twice a year in June and November.

Our goal is to have some scholarship money for each applicant to attend an accredited college or trade school in the USA. Each spring the application forms are circulated at the high school. We are trying to make it known this is for all graduates - even several years after they have graduated. Every applicant has the same papers to fill out, sign, and return to us to be reviewed by a committee, then fed into a computer to finalize. Maybe some of you or your family members have even received one of the scholarships.

This year the Alumni Association gave \$13,900. Every applicant received a scholarship this year. Since inception in 1996, SHSAA has awarded \$53,800 in scholarships.

I hope there are a lot of you who have used your knowledge, hard work, and "smarts" gained at SHS or SUHS to have a successful career be it professional, a trade, medical, lawyer, teacher, business, or service so you can help us further this project. Your donation is tax deductible and used very wisely.

Each year we honor a special non-grad Silverton citizen of the community with an Honorary Graduation (cap, gown, diploma, ... the works) and take part in the Homer Davenport Days (parade floats, booth in the park, etc.). This year we took an active part in the Homecoming activities at the school during October. We had memorabilia items in a display case in the main hall and a float in the parade. At the football game, the SHS Foxes beat Woodburn Bulldogs 60 to 9!!

We look forward to many of you in joining us and becoming a paid member of the SHS Alumni Association. All meetings are held the 3<sup>rd</sup> Tuesday of the month at Silverton Realty, 303 Oak St., Silverton. Our annual meeting is held in January to elect officers and new board members and is open to all paid alumni.

Let's have a lot of Lifetime Memberships and donations, big or small, to help out!

Thank you.

Donna Krug Ramseyer Liechty - Class of 1941

## MERCHANTS MAKE A DIFFERENCE

We, the members of the Silverton High School Alumni Association, wish to thank the tremendous support we have had from all the Silverton and surrounding merchants, businesses, and individuals in supporting our 2007 Silent Auction. The response was overwhelming this year.

Many businesses and merchants have donated to our auction every year, and we were quite pleased with the addition of three new businesses who were eager to join in our venture to raise money for scholarships.

Some merchants and businesses have given us their “background” and we wish to share the information with you, our readers.

**Foothills Medical Supply** owner Joe Morrison has been associated with the medical community in Silverton for over 20 years. In 1991 he opened his medical supply business which offers a large variety of durable medical equipment to his customers in the east Willamette Valley area. When you walk by the store on North First Street, you only get a small glimpse of what is offered within.

In both 2006 and 2007 the Alumni Association Auction and Scholarship Fund were the recipients of brand new outdoor mobility scooters from Foothills. The scooters were auctioned at the SHS Alumni and Friends Party at the Garden in August, and the proceeds went directly into the fund that provides scholarships for graduating SHS seniors.

On a sunny afternoon in July, we spoke with Mr. Morrison in his store.

Foothills Medical Supply was started in Silverton with the goal of providing high quality medical equipment and excellent service to folks in the Silverton, Salem, Albany, Detroit and south of the Portland area. The store stocks hospital beds, wheelchairs, walkers, canes, lovely recliner/lift chairs, and all oxygen equipment and supplies including C-PAC. Also available are orthotic soft goods, compression stockings, a huge selection of canes, blood pressure cuffs and stethoscopes. If Joe does not stock it or cannot order it for you, he can put you in touch with someone who can.

The people who work at Foothills truly care about their customers and about providing good service. If you step in the door — even if you don’t need something today — you will know what we mean. Many of the store’s referrals are made by doctors. And a large majority of the cost can be covered by insurance or Medicare. But it is a retail store also. If you or a loved one is in need of medical supplies or equipment to make their daily living easier, Foothills probably stocks it.

Joe’s support of Silverton High School and the Alumni Association comes in part from the fact that his three kids attended Silverton schools. “The teachers and the staff in our schools are exceptional. They give their all for the students. A Silverton High School education makes for a great start in life.”

As Alumni of SHS (SUHS) we have to agree. And it is the support of the community, the availability of financial assistance for post high school study and the support of SHS Alumni and Friends that make Silverton a unique place to live.

**Silverton Book Store** opened in July, as did **Garden City Coffee**.

Both were eager to help out. Garden City Coffee made a cash donation towards the Scholarship Fund. Silverton Book Store donated a book, a Chico bag, and a gift certificate.

**Beads ‘N More** owner Verdene McGuire told us she’d like to make something in the school colors. Black, Silver and Orange gave her a challenge, but when we saw the results — WOW! Necklace, earrings, and a bracelet all in the three school colors.

These are only a few of the many local merchants who donated items for our silent auction. We hope you will patronize the local businesses. We appreciate their support and wish to return the favor. You’ll find the complete list of donors and items donated on pages 9 through 12 in this newsletter.

## The Garden Party

What a great evening! Several classes held their reunions in conjunction with the “Party at the Garden”. Dinner was catered by the Wooden Nickel and was as great as ever. The weather cooperated this year and was quite comfortable inside the building.

We had about 375 in attendance. There were lots of cameras catching people off-guard, so if you were one of those photographers, please send your pictures to Jim Lundal, our webmaster. Just logon to [www.shsfoxes.com](http://www.shsfoxes.com) and let him know you have pictures you want to share. He will instruct you how to send them to him.

Some pictures are already on the website. Take a look!

**Class of 1961**

Each year the Class of 1961 contributes to the Garden Party Silent Auction. This event raises money for the Silverton High School Scholarship Fund. Such a worthwhile endeavor, the Scholarship Fund is making it possible for graduating seniors to go on to college. Our fellow classmates Carmen Cochran Smith and Sue Brownell Hannan along with Verna Stumpff Thayer ('59) and Judy Ernst Nunn ('60) volunteered countless hours contacting local merchants, alumni and friends for donations and support for the very successful Silent Auction.

In lieu of a basket this year, our class gave a cash donation of \$200. This gift to the Scholarship Fund was provided in the memory of the fourteen classmates who have died: Hubert Averette, David Asboe, Barbara Ball Benson, Allen Hage, Larry Hatteberg, Jeanne Kaser, Bill Larson, Larry Leach, Dennis McEwen, Bobby Polk, Cordell Schwab, Linda Siems Ohren, Pat Stubblefield Lloyd, and Don Torresdal.

**Class of 1987**

The Class of '87 met for their 20 year reunion on Friday, July 20 @ Mac's Place and Saturday, July 21, at the Salem Convention Center. Saturday night was catered by Bentley's restaurant and a DJ played music for most of the night. The best part of Saturday night was when Jeff Nuttman "MC'd" after dinner and gave whoever wanted a chance to stand up and tell a funny story from the past 25 years. Both nights were well attended and the class voted on a 25 year reunion to take place in the future.

**Classy Class of '57 holds its big 50th Reunion, August 3rd & 4th, 2007**

*By Marlin Hutton*

We had a blast!

For starters, we had my two favorite perverts, Bob Vanleave and Wayne Burian, as house guests for four days over the Homer Davenport Days weekend. The three of us continued harassing each other like we've been doing for 60 years, remembered old times, and stretched the truth beyond recognition at times. Then we went to the all-class alumni dinner Friday night, where many old friends showed up. Saturday morning a number of us rode in the Homer Days Parade, on the float the class had made. It was assembled at Stan and Jeanette Olafson's home a few days prior. Saturday afternoon we had the catered main event at the home of Dave and Charlene Moore McColly, who had graciously volunteered to be our hosts. Their beautiful home and organized planning served us well, and a number of classmates who had never been to any of our reunions showed up. Out of a possible number of 83 (the total after subtracting those who have passed on and a few we have been unable to locate at all) we had 51 classmates show up, when we totaled those who came Friday night, and Saturday. That's better than a 60% return rate — not bad after 50 years! Who cares if we're getting long of tooth!

To round things off, a number of us went to the Lions Club breakfast at the Silverton Park Sunday morning. We just about wore

ourselves out celebrating, but it was well worth it.

Since we had so much fun and are still speaking to each other, we have also scheduled an informal gathering in the loft at the Home Place Restaurant in Silverton, 6 p.m. until we give out, on Saturday, November 3rd, 2007. All those who were in our class at any time, whether or not you graduated from Silverton, or graduated at all, are welcome and we hope to see you. Finally, tentative plans are also on the table for a "70th Birthday Party", to be held at Stan and Jeanette Olafson's home, on the Saturday of Homer Davenport Days weekend, 2009. Thank you, Stan, for coming up with this idea.

**CLASS OF 1956  
PICNIC  
AUGUST 2, 2008**

*Cathy Lauer*

Members of the Class of 1956 will be celebrating their 70<sup>th</sup> Birthday with a Saturday afternoon picnic. Tentative plans are to get together August 2<sup>nd</sup> following the Homer Davenport Parade. The location has not yet been determined. Further plans will be forthcoming.

Classmates with email are encouraged to send their addresses to one of the class representatives listed in this newsletter. Others who have changed their home address should also update their information.

Let's get together Friday evening at the SHS Alumni and Friends party, watch the parade Saturday morning, and end the day sharing good food and memories.

# Thank You from Graduates

The Silverton High School Alumni Association works with the P.A. Loar Fund and the SHS Scholarship Fund in awarding scholarships. This way a student applies for all three at the same time, with only one application to fill out. The applications are evaluated by several members of each of the three organizations. Once evaluated, the scholarships are divided up among the three organizations. For the class of 2007, over 100 applicants were awarded scholarships.

Following are excerpts from the many thank you notes we have received from the SHSAA scholarship recipients for 2007.

Thank you for your generous scholarship that I received this past year. It is greatly appreciated.

In August, I plan on moving to Bloomfield, Iowa, to attend a local community college called Indian Hills Community College, for physical therapy assisting. It is a two year program. I plan on returning home after completing the program. Once again, thank you.

*Audie Kuenzi*

I would like to sincerely thank you for the scholarship I received at Senior Awards. Your support and scholarship is greatly appreciated.

While attending Oregon State University I will be studying to become a pharmacist, and I have already applied for and been accepted to Oregon State's early admission program for pharmacy school. It is a seven year program overall and I know that in the end it will be well worth it.

Thank you again for the scholarship, because I will need all the money I can get to pay for my seven years of schooling.

*Andrew Vanderwall*

I would like to sincerely thank you for the scholarship I received at Senior Awards. Your support and scholarship is greatly appreciated.

This fall I plan to go to Chemeketa Community College and then transfer to OSU in two years. I will have a full schedule and will be taking lots of science courses. The money you have given me will help greatly for my tuition and for books.

*Molly Lynn*

Thank you sincerely for awarding me a scholarship to continue my education. Receiving it at Senior Awards was truly a dream come to life. With your encouragement I will work hard to make an exceptional use of this gift.

With fall coming ahead, I intend to go to Chemeketa for my business management degree. I have also taken a particular interest in the sociology department and have looked into courses relating to the subject, careers pertaining to the assistance of others is a growing fascination for me.

Thank you again for your generosity.

*Fedosia Masalignin*

I would like to sincerely thank you for the scholarship I received at Senior Awards. Your support and scholarship is greatly appreciated.

This fall I plan on attending Corban College. I will be majoring in Elementary Education, which is a dream come true. I have wanted to be a teacher since I began my schooling. I plan on being very

involved in campus activities and look forward to the numerous campus clubs. It is an honor to have the opportunity to further my education, so that one day I can make a difference.

Thank you again.

*Luci Field*

## Class of 1962 Reunion Report

By George Pool

The class of '62 celebrated their 45th reunion during Homer Davenport Days. The reunion was planned by classmates Gretchen Dodds Rhyne, Georgie Ernst Johnson, Gail Jacobsen Kirsch and Colleen Patton Johnson.

A great time of visiting was enjoyed at the Alumni Dinner Party at the Oregon Garden on Friday evening with many of our classmates in attendance. Those coming from a distance were Renee Potts Allums from Georgia and Jon Digerness from California.

Saturday morning class members met at the high school to help decorate a float for the Homer Davenport Parade. We were grateful for the trailer and pickup provided by Denny Taylor along with lots of hay bales to sit on. Some of our classmates had not been through downtown Silverton for a long time and were surprised at the changes and improvements in the downtown area. The speed of the parade gave them a good opportunity to notice the changes.

On Saturday afternoon the class met at the country home of classmate Mel Ulven and his wife Leslie. We enjoyed a bar-b-q and several hours of visiting. Joining us that afternoon was Sharon Polk Mills from South Carolina along with several others that had not been at the dinner on Friday or the parade Saturday morning.

Our class has been meeting for a picnic every year since our 40th reunion. The "unofficial" reunions are held at various class members' homes. We did not have a class picture taken this year, the first time that we failed to do that.

The class wants to take this opportunity to thank our reunion committee for all their hard work in planning the 45th reunion!

## FIND MISSING CLASSMATES

By Judy Ernst Nunn, Editor

We of the Alumni Association wish to thank all those who responded with information regarding the many missing classmates printed in previous newsletters.

We encourage more classes to give us a list of missing members. Many siblings, cousins and friends may see the list and know how to contact these missing people.

For the classes that are planning reunions for 2008, we hope you will **contact the SHS Alumni Association for a class roster before you send out information.**

We would like to work with you in verifying the addresses on your list. Send a request for the SHSAA roster of your class to SHSAA, 303 Oak St., Silverton OR 97381 or Email: Nunnjk@comcast.net or Mason@SilvertonRealty.com.

## \$189 in 50/50 Raffle

By Jeanette Hitt Olafson

The 50/50 raffle at the Garden Party was won by Eldon Egan, class of 1952. He received \$189 with the remaining \$189 deposited directly into the Scholarship Fund.

Thank you Jacquie Wiesner, Sue Hannan, Jill Brueckner, Karen Lanham and Verlene Beard for helping with this project.

## When Do We Meet?

Our association is getting stronger because of the volunteers who keep it growing. Often we are asked if there is anything that someone can do to help out or attend our meetings.

All the meetings are held at the Silverton Realty Conference Room upstairs at 303 Oak Street and start at 6:00 p.m. and normally last about an hour. A complete schedule can be found on our website: [www.shsfoxes.com](http://www.shsfoxes.com). Anyone and everyone is invited to attend the meetings. *Please note that there will be no meeting in December.*

If you have questions, please feel free to contact: Mason at (503) 873-3545 or Email: [mason@silvertonrealty.com](mailto:mason@silvertonrealty.com) or Judy (503) 390-3816 or Email: [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net).

When discouraged,  
... Remember:  
Kites fly highest against  
the wind.

## Class Basket Results

By Verna Stumpff Thayer

Another successful year for the class baskets!

The class basket project is a way for everyone to contribute to the scholarship fund. The enthusiasm continues to grow involving more classes. Due to locale, some classes opt to donate cash in lieu of baskets. Cash is quite welcome!

We look forward to your participation next year. Contact your class representative and get involved in the fun.

## Class Reunion Do's and Don'ts

**DO** call special friends before the reunion to arrange extra time together to catch up - perhaps arrive a day early. Then, you'll be free to circulate at the reunion instead of talking to just one or two people all night.

**DON'T** assume the Reunion Committee contacted everyone in the class. If you've kept in touch with classmates, send their names and addresses to the Committee and thank the committee for taking care of the details.

**DON'T** complain about paying \$30 per person for a cold sandwich-and-coleslaw buffet. Remember the Reunion Committee has to pay for printing and postage, questionnaires and invitations, name tags, programs, decorations, prizes and music.

**DON'T** try to lose weight to impress anyone else. Don't start a diet the day your invitation arrives. Sometimes dropping a few pounds genuinely boosts your confidence but when all is said and done, others will remember only whether you seemed happy.

**DO** go shopping for something to wear that makes you feel attractive. Forget about designer labels. Look for something that's flattering, comfortable and appropriate for the setting (picnic, dinner or dance). Also plan ahead for shoes (you'll be doing a lot of standing and dancing) and accessories.

**DON'T** wear 'electric blue frost' eye shadow unless your reunion is held around Halloween.

**DO** practice a facial expression in front of a mirror to maintain in the event you encounter an old nemesis, the captain of the football team, head cheerleader or anyone

who arrives in a Jaguar, Porsche or Mercedes. Achieve a countenance that conveys your disdain for material possessions.

**DO** think in advance about answers to questions you'll inevitably be asked. Have ready replies to such boners as "Weren't you the one with the humongous braces?" or "Remember when you threw up on the bus in third grade?" or "Wasn't it you who slipped and fell during the finale of the senior play?"

**DON'T** try to memorize your yearbook. Name tags will tell you exactly who you're looking at and you can exclaim, "Is that really you. You haven't changed a bit!" Besides, you will truly be amazed at how little everyone has changed ... at least on the outside.

**DO** take your spouse if:  
1) you're attending just to observe and don't plan any prolonged reminiscences with old buddies;  
2) s/he is able to entertain her/himself;  
3) you know for certain your old girl/boyfriend isn't going to be there;  
4) s/he was a classmate.

**DON'T** take your spouse if you're susceptible to the mood of the moment. Steeped in recollections of the carefree and reckless attitudes of her youth, a former editor and her husband came away from a 20-year class reunion weekend with more than memories; nine months later their third child was born.

**DO** indulge yourself in recollection. Pack yearbooks and scrapbooks if you're driving to the reunion. If there's going to be an informal get-together like a picnic, take the books along to share with others who will appreciate being reminded of common memories. It's not suggested that you drag the books to a formal dinner dance.

**DON'T** take your entire library of family albums and vacation pictures spanning the past 20 years. But **DO** take along a few pictures of your kids (and, of course, grandkids and great-grandkids). Old friends are really happy to see them, just as you'd like to see a **few** of their pictures.

**DO** remember that when people exclaim, "You haven't changed a bit," they're only dealing with externals. No doubt about it: you have changed and likely for the better. A reunion will return you to scenes of your adolescence, when you worried about wardrobe, hair and complexion. By the 20th reunion you'll still be wondering about hair (where it's going), and your complexion (where the lines are coming from). No matter which reunion it is, you should use the opportunity to reflect upon where you've been, how far you've come ... and, of course, where you're going.

**DON'T** fail to consider the more important questions that will inevitably be posed, particularly near the end of the evening when everyone is suitably loosened up and nostalgic to "get down to brass tacks." Someone asked a friend, "What have you learned?" Her reflection was that "Bad things happen to good people, but we have an amazing capacity to survive."

**DO** make a real effort to express your thanks to those who organized the reunion. Who knows? Enough appreciation and flattery may make them overlook the headaches of planning the event and they may volunteer to organize the next one.

## How Can I be a Class Representative?

By Judy Ernst Nunn

We are often asked about the list of Class Reps in the back of the newsletter. "What do I have to do?" is the most common question.

Relax - there are no "duties". A Class Representative is mainly a contact person for a designated class year.

We would presume that person would be keeping track of classmates in order to make preparations for a reunion at 5, 10 or 20 years. The more often you have a reunion, the easier it is to keep track of everyone.

It's a great help when the Class Rep is notified by anyone who moves or changes his/her name. And some classes have better luck than others.

In addition to editing the newsletter, I also keep the Alumni Database up to date. The Class Reps help by sending me the changes of address for their classmates. This is a constant job. I am always receiving Emails with address changes.

Most reunions are held after a 5-year period (5, 10, 15, 20, etc.). Each year we concentrate on whatever year ends in a 5-year period from the date of graduation. For instance for 2007, we mailed complimentary copies of the newsletter to all classes ending in 7 or 2. Check the list of reunions on page 2 and you'll see how many are being held next summer.

In June we'll be sending complimentary copies to the classes ending in 3 and 8. So let this be a "heads up" to you. Start working on your mailing list now. We suggest you begin with a list from the Alumni Assoc. Request a class

roster, compare it with what information you currently have, and work from there. The Post Office does not forward our newsletters. If one is sent out with a bad address (i.e., for one who has moved), the newsletter is returned to us at a cost of 70¢. If the move has been within the past six months, the Post Office will provide us with a current address. Many times, however, we pay for the return only to get it stamped with "Moved - No Forwarding Address" or "FOE" (forwarding order expired).

So let's work together. Contact me for a Class Roster. Let me help you get a head start on your reunion for next year. If you'd like to check our list, just send an Email to: [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net). Be sure to put your **class year in the subject line**.

## Change of Address??

These newsletters are sent bulk mail to keep postage costs to a minimum. If one is returned as undeliverable, it costs us an additional 70¢. Most of those returned as postage due are because you have "moved, left no address" or marked "forwarding time expired" or "Undeliverable as addressed - unable to forward".

If you live in an apartment complex or RV park, the address is incomplete without the apartment or unit number. The Post Office will return it to us and charge us the 70¢. In addition, if there is a new address, the Post Office still returns it to us, charges the 70¢ and gives us the new address. If you are a paid member, we will re-send the newsletter for an additional 70¢ postage cost. But that increases the

total cost to \$1.40 for each return that we re-send. With too many returns, that can really cut into the dues amount that would add to the scholarship fund. None of the returned complimentary copies are sent a second time. With the exception of the returned postage costs, this more than covers the newsletter cost and leaves "some" for scholarships. Let's help our graduating seniors further their education.

The point? Let's keep the cost down. If you move, please notify us of your change of address. Contact Judy Nunn, 4728 Jade St. NE, Salem OR 97305 or Email: [Nunnjk@comcast.net](mailto:Nunnjk@comcast.net).

## Class of 1941

By Donna Krug Ramseyer Liechty

We had a small but pleasant reunion in July - only 25. Since it was so small and most of the attendees were the ones who come to the every-other-month lunches in Salem, we probably will not have a planned reunion next year. If we do have one, it will be at a restaurant and each ordering from the menu. There are several around who could accommodate us in their "banquet" rooms.

At our ages, our group seems to be getting smaller and smaller, with all the standard reasons for not attending. Keep informed by reading the newsletter in June and December.

I would appreciate a note from each of you, telling me your status so I can keep the addresses current. We have lost addresses for Irene Mosing Cantrell, Jack Morley, Warren Norton, Eunice Fuhr Peterson, and Alice Cunningham Roshek.

The SHS Alumni Assoc. has addresses on file for all SHS and SUHS students who ever attended Silverton High. "YOU" could help by letting me know when you move or if you know the addresses of the "lost" classmates.

I am temporarily without Email, so watch the next newsletter (June) for the new one. In the meantime, you can contact me at 513 Ross Ave., Silverton, OR 97381.

Try to stay healthy and mobile!

## Cookbook

SHSAA is starting a cookbook to sell as a fundraiser. Please send us your favorite recipe(s). A picture of the finished dish will be helpful but not required. Yes, you may submit as many recipes as you wish - there is no limit at this point.

Editor Judy Nunn has volunteered to put it together, so Email your recipes to:

Nunnjk@comcast.net and be sure to put COOKBOOK in the subject line. If you don't have Email, you can send them to Judy at 4728 Jade St. NE, Salem, OR 97305-3138.

## CLASS REPS STILL NEEDED

Notice we have added several Class Reps with this issue. We welcome them! We have also increased our list to over two pages. With a Rep for each class, it makes it easier to keep up with the changes of addresses, name change, etc.

If you move, please let your Class Rep know. It will be helpful also if you will notify the newsletter editor at Nunnjk@comcast.net.

**REPS NEEDED FOR THESE CLASSES: 1977, 1980, 1991, 1998, 1999, 2000, 2007. Please step up and volunteer!**

## Are you a Member?

Your \$5.00 dues help support this newsletter, in addition to adding to the scholarship fund.

Check your mailing label. If it says "complimentary copy", we'd like to invite you to join our organization. **All who attended Silverton High School are alumni, but it takes more than that to become a member of the Silverton High School Alumni Association.**

Our goal is to award each high school graduate a scholarship to help further his or her education.

There's an application and donation form on page 19 this newsletter. Please join us in our endeavor.

## ATTENTION CLASSES OF 1939-1943 AND OTHER INTERESTED PARTIES

*By Don David*

For those of you who did not attend the 2007 joint picnic/BBQ, be advised that this event is no longer being scheduled. The committee who has been carrying out these responsibilities is no longer able to do so. The job was offered up during the 2007 reunion, but no one person, group or class responded in the affirmative. Consequently the event has been cancelled.

If someone, group or class ultimately decides that they want to pick up sponsorship of this event, please notify your class representative or any member of the past reunion committee (Donna Liechty, Wayne Rose, Carolyn Simmons, Ray Dahl, Don David, Bruce Dickman, or Bernard Bennett).
