## POSTLES HARRIS FAMILY REUNION NEWSLETTER

“The most important thing a father can do for his children is to love their mother”

- Henry Ward Beecher

“In family life, love is the oil that eases friction, the cement that binds closer together, and the music that brings harmony”

- Eva Burrows

“In truth a family is what you make it. It is made strong, not by number of heads counted at the dinner table, but by the rituals you help family members create, by the memories you share, by the commitment of time, caring, and love you show to one another, and by the hopes for the future you have as individuals and as a unit”

- Marge Kennedy

“All I am, or can be, I owe to my angel mother”

- Abraham Lincoln

### FAMILY REUNION COOKBOOK

Interested in sharing your cooking talents with the rest of the family? How about putting together a family cookbook? If you are interested, please shoot me an email and we will start putting it together to sell as a fundraiser at the family reunion. This will help offset costs for the next reunion.

### HEALTH QUESTIONNAIRE

The majority of family member's would like to learn more about our family's health history. Well, it's coming. Cuz Jennifer will be sending out a questionnaire to each family member. We know some information is extremely sensitive but in order to ensure we have a true understanding of our family health it will take all of us. We had four aunts diagnosed with Cancer and one Cousin. All information is voluntary. There will be more information that will come out from our Committee Chair.

### HOLIDAY PARTIES

Family, you have been cordially invited to Cuz Jennifer's for Christmas at her house. Contact Cuz Jennifer at [gbar45@gmail.com](mailto:gbar45@gmail.com). Address: 70 Upper Rock Circle, Apt 123 Rockville, MD. 20850

### DID YOU KNOW????

There are only 178 days until the family reunion. Time fly's so book your rooms and transportation early.

### FAMILY CONTACT INFO

The final thought for this newsletter is for us to start reaching out and contacting a family member. We all are extremely busy with our families, jobs, school, hobbies, trials and tribulations, etc... I sometimes just sit back and think about growing up and realizing that I have the best family in the world. We came together, enjoyed each other and watched as we all grew into adults. Now, we are watching our children grow into adults and start their own families.

We are proud of them all. One thing they don't have that we did is the opportunity to grow with other family member's since we are scattered throughout the world. So, I have attached the family contact sheet so that no matter where we are in this world as a family, we can always reach out to say hi, share some stories, laugh, and provide a shoulder to cry on, provide advice or just to provide an ear to listen. Nothing is stronger than our family.

Please keep this contact list current. If there are any changes or I'm missing someone in the family please drop me an email so I can add them to the list.

PEACE AND LOVE FAMILY

FROM THE HEART!!!!
