Please write something about yourself and things that are happening in your life. Remember that not all of our classmates were with us for the full four years, so try to write things that have happened to you since you left our high school and tell us about that. Include spouses, children, grandchildren, travel, hobbies, interests, if you are working or not, trips, anything that you want to share that is listed on the other side of this paper, or anything else that "floats your boat". Make it fun! You can add more information on another page if you'd like. Thanks to all of you for your help in making the 45th Class Reunion a huge success!
