

Hi everyone! As the reunion dates of June 21-22 draw closer and closer, we hope you are making plans or have already made those plans to attend! Along with the usual great food and special times to just "hang out" with all your wonderful cousins, we are also adding some new and exciting features to our 2019 edition of the Fuller reunion. On Friday the 21st, we will be heading out to local cemeteries where many of our Fuller relatives are buried, to clean those old, dirty and hard-to-read headstones. We will be teaching the proper way to clean those stones, plus spend some time just walking around and "getting to know" our deceased Fuller kinfolk. Around lunchtime, we'll head back into Batesville to eat at Josie's (now called Best Dam Steakhouse). Incidentally, you will be responsible for your own check! Friday afternoon, several of us are going to return to the cemeteries, but if you would rather do something else, we would recommend heading to the Old Independence Regional Museum and looking at their exhibits and even take a stab at doing a little research while there!

Saturday morning, the 22nd, we will meet at

Ramsey Heights Baptist Church for our reunion program, potluck meal, and special raffle. We are also going to give you the opportunity to make corrections and additions to our Fuller family tree that will be displayed for everyone to look over. This year we will also have more displays than ever before, and we have added a sound system, so everyone will be able to hear our speakers. And this is in addition to the special surprises we have in store for everyone at the reunion! But remember, the primary reason we have our Fuller family reunions is to visit, share stories, and connect and reconnect with other Fuller cousins.

Several of you have already returned your preregistration forms, and these will aid us greatly in speeding up the process of getting everyone past the first couple of tables! If you haven't sent your form in yet, or have lost yours, I am attaching one to this email. But, please know that you do NOT have to send this form to us in order to attend! We want everyone to attend if at all possible! If you have any questions, please let us know. We want to do our very best to make this

reunion an event that you will cherish
forever! Hope to see you June 21-22 in Batesville,
Arkansas!

Your cousin,
Terry
