“Love Endureth Through ALL Generations”

Included in this booklet is the family reunion itinerary, which outlines the general flow of activities for the reunion. Please review carefully and let us know if you should require additional information. There will also be announcements and special instructions for activities throughout the reunion.

As we celebrate during our family reunion; it's truly because of God's Grace and Mercy. Let us consider one another in love and kindness. The fellowship we share each year strengthens our family bond and connection; it should be treasured and not taken for granted. We have family members that have served faithfully and dutifully during active war; fighting for the protection of our nation, let us consider them. We have ill family members that need our prayers and our presence, let us consider them. We have children, grandchildren and great grandchildren to Lead, Guide, Mentor, Support, Counsel, Educate and Prepare for the life that's ahead of them, let us consider them.

The family reunion celebration is about the entire family, and not just a select few, or just you. Take the time to become more acquainted with family members that you may not be as familiar with, extend your hand and heart in the spirit of love, fellowship and family.

Some activities have been sponsored in part by the Firm Foundation. The Firm Foundation is a growing movement of men in our family; focused on godly leadership and undergirding the family's heritage and legacy. If you are interested in learning more about the Firm Foundation, please connect with Troy Lewis.

We greatly appreciate The Firm Foundation, and individual Silver contributors who have shared monetary Love Gifts to ensure overall reunion expenses are as affordable as possible for all reunion attendees.

*“And the peace of God, which passeth all understanding,
shall keep your hearts and minds through Christ Jesus. Philippians 4:7”*

Family Reunion Safety and Security.

It's our endeavor to ensure that each and every family reunion attendee is safe and secure during all family reunion activities. We have a family reunion logistics team, that's responsible for ensuring our safety and security as we travel from location to location throughout the city. They will provide daily instructions and recommendations on how we will move about the city based on the schedule. Let's render them our full and complete cooperation.

Timeliness.

We are really excited about having an amazing fellowship and reunion with family. This is absolutely treasured time. We want everyone to relax and enjoy. However, it's critical that we are timely. We plan to follow the schedule very closely. Please be prepared and ready each day to join in the family activities at or before the designated times. We say this in love, but in all seriousness as well. We will not accommodate lateness.

Minor Children. Each and every child in our family group, under the age of 15 MUST be accompanied by an adult at all times.

Family Initiatives.

"College Care"

We want to show our love, encouragement and support by presenting our New College students with a care package. We would like to receive toothpaste, tooth brushes, towel sets, school supplies, health and beauty aid products, snacks, laundry coins {money}, postage and any other items that you believe our college students would enjoy.

We Build Legacy.

We Build Legacy is a functioning entity that has been established to assist families in building legacy through family reunion planning. We build legacy is an extension of our family's core mission, which is to keep families together and connected. We Build Legacy launched the beginning of 2015, conducting monthly Virtual Family Reunion Planning Workshops. The response has been amazingly huge. There is power in

bringing people, voices, ideas and families together. As of the month of May, more than 150 families have participated in our workshops, and growth is on the horizon. The work at We Build Legacy, is a direct continuation of the work Willie C. Smith, Emeritus began many years ago. "Family is GOD's creation", and after 35+ years of family reunions, we are in a great position to lend our experience and expertise to families all across the country. The services are completely free for families, but the group is actively seeking corporate sponsors. If you are interested in volunteering, please contact Niko Cook, webuildlegacy@gmail.com, building legacy is what we do.
