## PRAYER FOR MY FAMILY

Father,  
Thank you for my family.  
I pray that you draw them closer to you and they submit to you with all their hearts and all their minds.  
Help them in all their doings.  
Father, you are the only one who knows what each one of us is going through and what weighs on us.  
I pray that You Oh Lord, will give my family the strength to overcome whatever problems that will come their way.  
Help anyone fighting a silent battle.  
Let them find peace and comfort in You,  
Through Jesus Christ our Lord,

*Amen*

*Our Family*

## God Made Us A Family

God made us a family  
A special caring part  
Of all that's near and very dear  
And closest to the heart

Together on life's journey  
Each day a memory  
Thank you, God, for making us  
A loving family

## A Military Life

By Naval Chief Petty Officer Horace Windham - Mr. E7

Growing up in Aliceville, I had the opportunity to spend a lot of time with family and friends. During my junior year of high school, I realized in order for me to try to make a difference in my life and to put myself in a position to help my mom and dad I needed to make a major move. After graduating from high school, I enlisted in the United States Navy and attended boot camp in Great Lakes, Illinois in March of 1989. That was the beginning of a lifestyle that I would become accustomed to living every day. In boot camp, I met guys from all across the United States. Some of these guys had never seen a black person, except on television. After understanding that one of the major concept of the Navy is: Trust Your Shipmate, we came together as a team to accomplish tasks that were given to be completed as a team not individually. This is what we should do as a family. During my enlistment, I was able to meet people of different ethnicities while traveling to different countries. This gave me the chance to understand how people outside the United States live on a daily basis. We, as citizens of the U.S., often take our freedom and liberties for granted, not realizing that our way of living is far better than people that live in other countries.

WE MAY NOT HAVE IT ALL TOGETHER,  
BUT TOGETHER WE HAVE IT ALL!  
LOVE OF FAMILY!
